Title

Boundaries in relationships

B I H2 H3 • List 1. List Link Image Quote

Setting a boundary doesn't mean pushing someone away: it means choosing how to be in the relationship.

Why it's so hard to say no

We often link saying "no" to the risk of letting others down. In fact, a clear limit also protects the other person, because it makes explicit what is sustainable for us...

Outcome rules

Active rules apply to session outcomes: the Mentor's questionnaire and users' reports. Each rule can be switched on or off and has an editable text shown to the user.

User no-show — NO REFUND

Text shown to the user

The session was not held because you did not attend: as stated in the policy accepted when booking, no refund is due.

Mentor no-show — FULL REFUND AND REPORT AGAINST THE MENTOR

Text shown to the user

We are sorry, the Mentor did not show up. We have refunded the full amount to your original payment method.
